

About Possibili-Teas

Possibili-Teas is a local loose-leaf tea grower. It was founded in the West Park area of Cleveland, Ohio, in 2014. It began as Roseanne Sweeny's personal tea garden, which had grown large enough that she was able to start selling at local farmer's markets. By 2017, it had grown into a greenhouse, allowing Possibili-Teas to start partnering with local cafes and coffee shops to sell its teas. Possibili-Teas opened its first store in 2020 in the Kamm's Corners area of West Park.

Possibili-Teas aims to use the simple comfort of a cup of tea to bring people together.
